Examiner's Statement of Reasons for Allowance

1. Claims 1-20 are allowable over the prior of records.
2. The following is an Examiner's statement of reasons for the indication of allowable subject matter: Claims 1-2, 5-9 and 15-19 indicated allowed and also indicated reasons for allowable in the previous action. Remaining claims 3-4, 10-14 and 20 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts. Claims 3 and 20, prior art fails to teach a device is inserted or withdrawn during operation of a serial bus and the device simultaneously assigned itself with plurality of identification numbers when the device is connected to the serial bus as claimed "comprising a physical layer circuit serving as a physical interface to which a plurality of identification numbers are simultaneously assigned when the serial bus interface device is connected to the serial bus".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
